work experience

technical director, Wagon Wheel Center for the Arts 2026-present

Artistic Director: Scott Michaels

Responsibilities include hiring employees for scene, paint and prop shops and leading the build of five productions in a summer season. Communicating remotely with designers and directors throughout overlapping design processes, budgeting, creating build packages, coordinating and working load ins, strikes, light calls and show runs.

carpenter/scenic artist, Illinois State University Department of Theatre and Dance 2023-2026

Shop Manager: Jeremy Jenkins

Responsibilities include construction and painting of 9 to 10 Department of Theater and Dance productions each year. Maintain a clean and safe shop environment. Assist in tool maintenance. Mentor undergraduate students in safe tool usage and various theatrical building techniques.

seasonal scenic designer, Wagon Wheel Center for the Arts, 2025

Director: Brianna Borger

Responsibilities include collaborating remotely with design team and director prior to arrival on site. Creating a draft package and renderings for the finalized design. Once on site, coordinating with carpenters, painters, prop designer and lighting designer closely to assist in execution of the final design on time and under budget.

(assistant) technical director, Wagon Wheel Center for the Arts 2024-2025

Technical Dir: Matthew Helpert

Responsibilities include assisting in supervision of scene and prop shop work while maintaining a clean and safe shop environment for 4 productions over two summer seasons as well as creating drawings leading a build plan in the scene shop while maintaining a clean and safe shop environment for 6 productions over two summer seasons. All productions also involved leading crew in build, paint, load in and strike of scenery, light calls as needed, and supervision of run crew.

assistant technical director, Summer Circle Theatre Productions 2023

Technical Dir: DJ Selmeyer

Responsibilities include assisting in build packages and leading carpentry for *A Midsummer Night's Dream* and *School House Rock Live!* Lead of small group in load in and strike of outdoor performance space. Attend all production meetings, technical rehearsals, and load in and strike of each production. Create inventory, tracking system, storage arrangement, and updated VectorWorks files for SCT courtyard core staging.

IATSE local 274 stagehand, Wharton Center for Performing Arts 2021-present

Senior Production Manager: Sandy Thomley

Responsibilities include electrical load in and strike of Broadway tours of *Hamilton*, *Mean Girls*, *Jagged Little Pill*, *Beetlejuice* as well as carpentry load in and strike of Broadway tour of *Frozen* and properties load in and strike of tour of *Blue Man Group*.

carpenter/scenic artist, Michigan State University Department of Theatre 2020-present

Shop Manager: Levi Galloway

Responsibilities include construction and painting of 5 Department of Theater productions and 2 College of Music operas each year. Maintain a clean and safe shop environment. Assist in tool maintenance and paint inventory. Mentor underclassman in safe tool usage and various scenic painting techniques.

scenic designer/carpenter/scenic (charge) artist/kids camp instructor, Summer Circle Theatre Productions 2022

Technical Dir: Marc White, Camp Dir: Ann Folino White

Responsibilities include the full scenic design for *Distracted* and lead of painting for *The Play That Goes Wrong*, construction and painting of *Distracted*, *The Play That Goes Wrong*, *Pippin*. Lead of small group in load in and strike of outdoor performance space. Lead teaching of design elements to children grades 1-6 for Kids Camp. Maintain a clean and safe shop environment. Attend production meetings, technical rehearsals, and load in and strike of each production.

assistant scenic designer/scenic artist, Candlelight Dinner Playhouse 2022

Scenic Des: Ranae Selmeyer, Dir: Phil Forman

Responsibilities include designs and complete drafting's for exterior door and window units as well as assistance painting portraits used as set dressing. Effectively collaborate virtually with designer and director.

carpenter/scenic artist, Interlochen Center for the Arts Summer Presentations 2021

Shop Manager: Jeanna Muylaert

Responsibilities include the construction of and assistance painting *The Tempest, Cinderella*. Maintain a clean and safe shop environment. Attend load in and strike for each production.

assistant scenic designer/assistant properties artisan, A.D. Players 2020, 2021

Scenic Des: Kirk A. Domer, Technical Dir: Michael Mullins

Responsibilities include creation of paint elevations and period research on appropriate set dressing for *Photograph 51**, and painting of the floor, airplane wing, desks, print edges as well as research of period accurate furniture pieces for *Dear Jack, Dear Louise*.

classes & workshops taught

THE160 Stagecraft Lecture, ISU Spring 2026

An introduction to basic theatrical carpentry, painting, lighting and audio equipment and implementation geared toward incoming theatre education majors

THE160 Stagecraft Lab, ISU Fall 2023, Spring 2024, Fall 2024, Spring 2025, Fall 2025, Spring 2026

Practical lab running every semester in tandem with THE160 Stagecraft Lecture. Led one or two sections of four to six students in building semester productions per day.

Lighting Practical, ISU Spring 2026

Led eleven groups of two to eight students in hanging and focusing a source four par. Also taught process for replacing Edison plugs on damaged cable.
